Total Courage Goes to Georgia Military College!

Student-Athletes at GMC Receive Character Coaching!

2nd Quarter of 2018 has been such a rewarding time for all of us at **Total Courage**. We truly enjoyed continuing the **Total Courage Speaker Series** at Georgia Military College followed by a special visit to Gator Country!

Dee, Greg Foster, Parker Schenecker and Mike Foley had an amazing visit with the student-athletes and coaches at Georgia Military College.

Greg and Mike enjoyed a VIP tour of the campus followed by an office call with US Army Lieutenant General William Caldwell.

The **Total Courage** character coaches attended a GMC Spring Football Scrimmage. After practice Dee was asked to speak to the entire team about the value of humility.

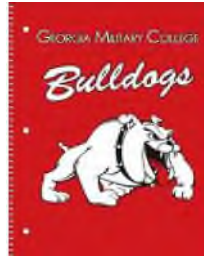

The next day, World Champion and Olympic Medalist Greg Foster spoke to over 200 GMC men and women student-athletes about his personal walk of resilience and endurance.

After a standing ovation, dozens of student-athletes remained to engage in personal character based conversations with the **Total Courage** team.

Thank you to Athletic Director and Head Football Coach Bert Williams for being such a great host!

While in Gainesville, Dee and Greg had the privilege to work with the legendary Head Track & Field Coach 'Mouse' Holloway of the Florida Gators. Currently, the Gators are ranked number one in the nation in track & field and enjoyed earning the indoor national championship earlier this season. The Gators are on board for the 2018/2019 Academic Year with **Total Courage** and we look forward to a dynamic program developing **Leaders with Character!**

Go Gators!
